

**GIEIPC-IP Working Day Programme, Portugal**

**18 April, 2023**

**Colégio Almada Negreiros, Campolide, Lisbon**

**Morning**

10.00-11.20h – Presentation of the Group of Studies (history and plans) followed by discussion.

11.30-13.00h – Know the work of the researchers in Portugal in the ambit of the group: brief presentations of research, projects and interests.

13.00-14.30 – Lunch.

**Afternoon**

14.30-18.00. Coffee-break 16.00

- Summary of the morning's work and discussion. Decentralise initiatives.
- Update on responses to the researcher questionnaire and discussion of proposed ideas:
  - Maria Neves and José Brás: creation of a journal, holding annual or biannual conferences with publication.
  - Loraine Alberto (Goa): structure a course in Goa with the possibility of having guest speakers. Possibility of coordinating actions.
  - Courses aimed at academic audiences or teacher training; actions in schools.
  - Making the resources created available to various users: exhibitions, sources, repository of studies.
  - Sharing the failed experience of the FCT project.
  - Proposals to be presented at the plenary meeting where the future of the group in its international relations will be discussed.
